Saroj Wagle (Nepal)
 MBA Student at CHARUSAT

In terms of experience, I have always been keen to know about various activities of CHARUSAT.
 Being a first international student of Charusat I feel very proud to say that CHARUSAT has helped me in grooming my overall personality. Most importantly, it gives me the perfect balance between international exposure and a homely atmosphere.
 Lastly, I'd like to end this piece by saying that: Think-Apply-Decide at CHARUSAT University.

Students' Reflections

Padam Bahadur Waiba (Nepal)
 B.Tech Civil Engineering Student at CHARUSAT

From my school life, I wanted to be a Civil Engineer. I started searching the scope of Civil Engineer.
 CHARUSAT is a rapidly progressing university with a strong dedication to excellence & giving innovative knowledge to the students.
 So, Now I am here with you all.

Shilpa Gupta (Nepal)
 BPT at CHARUSAT

I nurtured a dream to become a good Physiotherapist and serve my nation. Coming to CHARUSAT was a pleasant and welcoming experience.
 Far away from the hustle and bustle of big towns; its pollution free serene campus fills us with energy to achieve our academic goals.
 All the basic requirements are very well taken care of. Having a great time experiencing a new culture and new world.
 CHARUSAT is the most preferred place to make your future goals come true.

Brief Profile of CHARUSAT

CHARUSAT is a nonprofit socially committed private university situated in Changa, Gujarat, India.

CHARUSAT is empowered to award degrees by University Grant Commission (UGC), Govt. of India. It has the distinction of being the **first private University in Gujarat** to be accredited with an '**A**' grade, by National Assessment and Accreditation Council (NAAC), Bengaluru, India in the first cycle.

CHARUSAT is also a member of Association of Indian Universities (AIU), New Delhi & Association of Commonwealth Universities (ACU), UK. Programs at CHARUSAT are also approved by different statutory bodies like AICTE, PCI & INC.

Over the years, the engineering College of CHARUSAT is ranked **first** among all Engineering Colleges of Gujarat by Gujarat State Institutional Rating Framework (GSIRF) 2019 and its Applied Sciences Institute is also ranked among top 50 Applied Sciences Institutes in India by National Institutional Ranking Framework (NIRF) 2019 by MHRD, Govt. of India.

The University is spread across 120 acres of land with a modern infrastructure encompassing more than 120 laboratories and a state-of-the-art central library enriched with books, journals, magazines, e-journals, and educational software in the lush green campus with 24 hours Wi-Fi network availability.

CHARUSAT has a **unique** Space Research and Technology Center to initiate and foster research in Space Technology in collaboration with ISRO.

CHARUSAT HOSPITAL is emerging as an important healthcare provider in the vicinity with best multispecialty medical facilities available at affordable prices.

CHARUSAT has played an important role in education development in rural schools through different activities like Students and Teachers' Training Programs, Parents' counseling, Education awareness programs, School Visits, and CHARUSAT Campus visits by Schools under CHARUSAT Rural Education Development Programme.

Presently, CHARUSAT offers **70+ programs** from UG to Ph.D. under the tutelage of 9 Institutes and 6 Faculties. They are in the allied disciplines of Technology & Engineering, Pharmacy, Computer Applications, Management Studies, Applied Sciences, Nursing, Physiotherapy, and other Paramedical Sciences.

All education programs are semester based and are delivered in English Medium. Credit and Grading Systems are followed for Teaching, Learning, and Evaluation. Curriculum and Pedagogy at CHARUSAT correspond with societal needs. CHARUSAT strives to prepare students for global assignments. It aims to make its student's Job Creators and not Job Seekers.

CHARUSAT has completed or has on-hand research and consultancy projects from funding agencies like DST/DBT, GUJCOST, UGC, DAE, SERI, CSIR, ABB, DNP Industry and GSBTM.
