201-500	In Asian Universities

Internationalization

CUI prides itself in creating an internationalized experience on campus to promote global values and general knowledge. For this purpose, we have foreign scholars, lecture series by visiting international scholars, as well as regular visits by members of the diplomatic corps and our international partners. In addition, different CUI campuses are the chosen hosts for several annual international events that welcome international visitors each year.

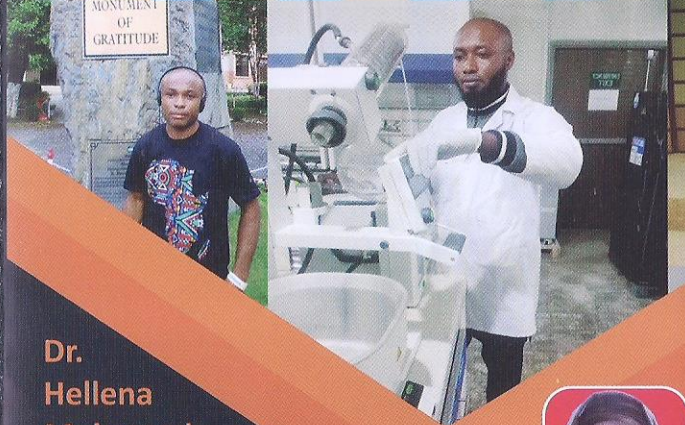

International Students

International students are the central point of focus of CUI's internationalization policy and it welcomes students from across the world. Some facts communicated regarding our international students are:

Currently registered students: 360

Total Number of International Students: 1724

Nationalities: 40

Dr. Hellena Mohamedy Mushi (Tanzania) Postdoctoral Scholar

I extend my heartfelt gratitude for the invaluable opportunity to conduct my postdoctoral research at this esteemed institution. My time here has been nothing short of exceptional, marked by robust academic growth, meaningful collaborations, and a nurturing research environment. The mentorship and support I received during my postdoctoral tenure were instrumental in shaping my research endeavors. The guidance and encouragement from my colleagues and mentors have left an indelible mark on my academic journey. I am profoundly grateful for the resources and facilities provided, which greatly facilitated my research pursuits. The vibrant academic community at COMSATS University fostered an atmosphere of intellectual curiosity, and I am proud to have been a part of it. Thank you once again for this enriching experience. I look forward to carrying the knowledge and skills I have acquired here into my future academic and professional endeavors (Tanzania).

International Students Admission

Admission to degree programs is offered twice a year i.e. Fall and Spring semesters (Fall semester starts in September and Spring Semester starts in February). There is a summer break from July to August and winter break from mid January to End of January. BS Bioinformatics

I am a second year BS student at CUI following bioinformatics and I am grateful for choosing COMSATS for my higher studies as it is one of the top universities in Pakistan. Nevertheless, this university has exclusive events organized for foreign students to promote a student friendly environment and has given multiple memories to cherish. The experience that I had so far at COMSATS is gratifying, along with support and commitment of the relevant bodies allowing us to pursue our studies successfully.
