4. Selection Procedures

There are mainly following three selection processes: (A) Selection by JICA in each country, (B) Matching with Japanese universities, and (C) Selection by Japanese universities (entrance examination).

*There are no fees to be charged directly by JICA at the selection process.

*The reasons for disqualification on each selection procedure will NOT BE DISCLOSED.

(A) 1st Selection: Selection by JICA in each country

[Necessary Actions for Applicants for this selection]

Each applicant needs to submit JICA's Application Documents by the deadline set by JICA office in the applicants' country.

Period	Not later than Monday, 8th November 2021
Contents	Screening of submitted JICA's Application Documents Applicant may be requested to be interviewed.
Objectives	To check qualifications and requirements of each applicant. To check applicants' understanding of the program objectives and working experiences/educational background in the context of the "Eligible Participants" (shown in the section 2.). To check applicants' capability of contributing to the achievement of the course objectives addressing his/her country's development challenges after the program.
Result	Applicants who pass this selection can proceed to the 2 nd Selection.

(B) 2nd Selection: Matching with Japanese universities

Period	December 2021- January 2022 (approximately)
Contents	Document screening, interview (if necessary) by Japanese universities (mainly "Research Plan" of the JICA's Application Documents, the Undergraduate degree graduation certificate, and Academic transcript)
Objectives	To match applicants with university courses/supervisors
Selection	JICA will send JICA's Application Documents to the applicants' desired universities. Universities will examine the documents to check if the applicant's field of study and research plan are matched with the courses/supervisors. During this process, universities may contact the applicants for their judgement.

	University may conduct remote interview during process.
Result	<p>Only those applicants who are accepted by the Japanese universities' matching can proceed to the 3rd Selection.</p> <p>JICA will inform of these applicants of the name of university where the applicant can apply for 3rd selection. The applicants need to check and prepare university's application documents and submit them directly to the university. <u>Each applicant applies only one (1) university indicated by JICA for the entrance examination.</u></p> <p>JICA will also inform these applicants contact of his/her supervisor (professor). The applicants are then required to contact with the supervisor to receive their instructions. The applicants are required to maintain good communication via mail/Zoom with their supervisors to gather information on the course or their study subjects. Some supervisors may request to improve applicants' research sheet during this period before entrance examination.</p>

(1) Research Student

As a result of the matching, if the university judges the applicant that they need more time to take entrance examination, university may request an applicant to enter the university as a research student for a period of six (6) months at longest. This period is additional and not counted as a part of regular course of Master's or Doctor's program. Research students are requested to stay in Japan and study hard to utilize their time to prepare for the entrance examination. Research students are able to join lectures, receive instruction from professors and make use of university facilities but they cannot acquire credits for obtaining the degree.

Participants as research students are requested to take the entrance examinations during the period of research students. If failed, they have to return to their home country (Agri-Net program ends at that moment). Normally, participants as research students will start their stay in Japan from 2022 autumn if required for 6 months of research student. Their period as regular students, if they passed the entrance examination, will start from April 2023.

Before application, the applicant should take into account the possibility of additional period as research students and should be approved by the belonging organization. **Applicants' availability as research student and approval from his/her organization should be expressed in the Application Documents (p.5 of Attachment Sheet).**

Necessary living cost during the period as research students will be paid by JICA following JICA's regulation.

Note:

- Some university requires applicants to enter the university as research students regardless of applicants' ability (See the details for Appendix 1 University List).

(C) 3rd Selection: Entrance Examination by Japanese universities

[Necessary Actions for Applicants for this selection]

Each applicant needs to check necessary application documents set by the university where he/she applies. Then, he/she needs to submit university's application documents directly to the university by the deadline set by the university. It is ALL the applicant's responsibility to duly submit required documents to the university by its deadline. JICA will NOT intervene in this process. Some universities require sending hard copies of documents to Japan.

Those who are required to enter as research student also need to check necessary

application procedure as research student set by each university.

During this selection process, each applicant may be interviewed (ex. by using Zoom) depending on university's selection process.

Fee for entrance examinations is paid directly to each university by JICA.

Period	April – July 2022 (approximately)
Contents	Screening of submitted university's application documents and interviews by Japanese universities
Objectives	To select the final candidates
Venue	If necessary, using Zoom or other means for interviews
Selection	Universities will screen the applicants through submitted university's application documents and interviews, and etc.
Result	The applicants who pass this selection (and JICA adjustment if necessary) will be selected as successful candidates of the program.

Note:

- JICA may adjust the number of candidates after the 3rd Selection. Therefore, some of the applicants who pass the 3rd Selection may not be selected as successful candidates of the program.
- Due to the COVID-19 pandemic, successful applicants may not be able to come to Japan on September 2022, and have to postpone coming to Japan until necessary conditions are met. In such cases, JICA will explain the situation and procedure to each applicant who pass the 3rd Selection.

(2) Withdraw of the Application

If applicants encounter the situation that needs to withdraw the application by force majeure during the selection process, the applicants need to contact with JICA office and explain the situation as soon as possible.
