<b>c) Dhaka University Registration Fee</b> [If required, since, local students with Bachelor degrees from Dhaka University enroll into Master's program with existing registration] (Payable to the University)		<b>25</b>	
<b>Grand Total [A=a+b+c]</b>		<b>1236</b>	<b>1387</b>

## **Description of “Education Related Cost”, “Living expenses”, “Others” and “Airfare”**

### **A. Education Related Cost:**

- a) **Academic cost:** Medical fee is against medical checkup, consultation/prescription, emergency service & test fees available at CRP.
- b) **Dhaka University Foreign Students’ Registration Fee (Payable directly to the university):** Full scholarship covers current registration fee for foreign students. The fee is determined and updated as per the university discretion that may be in force from time to time.
- c) **Dhaka University part I & II exam fee (Payable directly to the university):** Full scholarship covers current Dhaka University part I & II exam fee for students. The fee is determined and updated as per the university discretion that may be in force from time to time.

### **B. Living expenses:**

#### **a) Accommodation:**

**Hostel rent:** Housing usually takes up the largest chunk of someone's living costs. Free housing / accommodation contributes to living cost of the students considerably.

**Hostel Utility Charge (Payable directly to the institute):** Full scholarship covers hostel utility charge for the foreign students.

- b) **Health & personal hygiene (contribution to the expenditure) (To be handed over to students):** Full Scholarships (Students from other SAARC Member States) - include “Health & personal hygiene (contribution to the expenditure)” for other health services except for those are not available at CRP-BHPI.
- c) **Food cost and others (To be handed over to students):** Exactly how much you, as a student will need for food cost and other living expenses each month really depends on you, on your lifestyle, on your habits etc.

However, in terms of Purchasing Power Parity (PPP) indicating standard of living, currently the Full Scholarships (Students from other SAARC Member States) amount for living expenses (“Food cost and others” and “Health & personal hygiene”) (US\$ 5.3 per person per day) is about three times as much as the international poverty line (US\$1.90 per person per day) (The World Bank, 2022).

- C. Others:** Contribution to visa processing, visa extension fee (if applicable), application fee to DGHS and any other costs (To be handed over to students)

Expenditure against this cost heading may vary among students from different countries. Full Scholarships (Students from other SAARC Member States) - the variance thereof will be necessarily be borne by the scholarship recipient for reimbursement. That means, amount additional to USD 244 will not be reimbursed; amount remaining to USD 244 will be received by the students against the living cost respectively.

#### **D. Airfare:**

One round trip airfare -arrival for joining course and departure after course completion (Payable against economy class air tickets): Expenditure against this cost heading may vary among students from different countries. This cost is under separate budget heading and dedicated for airfare only. Should 12 students' total airfare expenditure (as per their air tickets) be above the budget, individual student will be reimbursed within the total budget as per their percentage share of total expenditure.
