**Yunnan University of Finance and Economics**  
**Enrollment Guide for International Students**  
**Yunnan Provincial Government Scholarship program 2024**

**I. Overview**

The Yunnan Provincial Government Scholarship for International Students (hereinafter referred to as the Scholarship) is established by the People's Government of Yunnan Province. The Education Department of Yunnan Province, is responsible for the formulation, adjustment, implementation and supervision of the scholarship policy. The University is responsible for the cultivation and management of International Students who are admitted to study at the University on the Yunnan Provincial Government Scholarship (hereinafter referred to as scholarship students) .

**II. Admissions category**

This admissions is for International Students applying for both Degree programs and Non-Degree programs. Full-time Degree programs including undergraduate students, postgraduate students and doctoral students; Non-Degree programs including preparatory undergraduates /postgraduates /doctoral students and Chinese advanced students.

**III. Admission Country**

Opening to South Asia and Southeast Asia countries, mainly focus on Laos, Vietnam, Thailand, Myanmar, Cambodia, India, Nepal and Sri Lanka; applicants from other countries are also welcomed.

**IV. Admission Major**

Yunnan University of Finance and Economics offers some majors to international students. For specific majors, please refer to Attachment 1: Enrollment Major List of Yunnan University of Finance and Economics for International Student.

**V. Application Requirements**

To apply for the Yunnan Provincial Government Scholarship for International Students, the following basic conditions must be met.

1. Non-Chinese citizens holding valid foreign passports, who are physically and mentally healthy, and whose current academic qualifications, language ability and age meet the university's admission requirements, applicants for degree programs must have achieved HSK level 4, valid for 2 years.

2. Applicants for bachelor's degree (including preparatory undergraduates) should have high school graduation diploma or the same academic ability, with excellent academic

performance, and generally not more than 25 years old.

3. Applicants for master's degree (including preparatory postgraduates) should have a bachelor's degree or equivalent, with excellent academic performance, and generally not older than 35 years old.

4. Applicants for doctor's degree (including preparatory doctoral students) should have a master's degree or equivalent, with excellent academic performance, and generally not older than 40 years old.

5. Chinese advanced students should have graduated from high school or above, with excellent academic performance, and generally under the age of 55.

6. Applicants should also meet the university's entry requirements in terms of academic ability, language proficiency and other relevant aspects.

## **VI. Application Documents**

1. Application Form of Yunnan Provincial Government Scholarship for International Students, printed by the Education Department of Yunnan Province.

2. Notarized certificate of highest degree certificate, highest diploma;

3. Academic transcripts.

4. Chinese Language Certificate and English language qualification certificate.

5. A Study Plan or Research Proposal.

6. Foreigner Physical Examination Form (The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority).

7. Non-criminal record report.

8. Passport photo page.

9. Personal ID photo, named after passport number (Photo reference format: 2 inch color crown-free ID photo. The white background has no borders, the head accounts for 2/3 of the photo size, the photo size is not less than 320 \* 240 pixels, the aspect ratio is 4: 3, the size between 100 KB and 500KB, JPG format).

10. Applicants for Master's Degree and Doctor's Degree must provide two recommendation letters (written in Chinese or English) signed by professor or associate professor. Applicants for other majors may be required to submit other supplementary documents. Please refer to separate notice.

Note: If the above information is not in Chinese or English, notarized Chinese or English translation must be provided.

## **VII. Duration and Criteria of Financial Assistance**

The duration of the scholarship is in principle consistent with the basic duration of study. The scholarships cover tuition fees, living expenses, insurance, etc. YUFE provides on-campus accommodation. The subsidy standard for living expenses is: Preparatory undergraduates and Chinese advanced students (1 year): ¥16,800/year/person, paid monthly, 1,400 yuan per month; Undergraduate students: ¥ 16,800 yuan/year/person, paid monthly, 1,400 yuan per month (program duration is 3-8 years); Postgraduate students: ¥20,400 yuan/year/person, paid monthly, 1,700 yuan per month (program duration is 3 years); Doctoral students: ¥24,000 yuan/year/person, paid monthly, 2,000 yuan per month (program duration is 4 years).

### **VIII. Application and assessment process**

1. The university issue the annual enrollment prospectus and reports it to the Education Department of Yunnan Province, for the record.

2. The applicant submits the application form and relevant documents according to the admission requirements.

3. The university will examine the applicant's documents comprehensively, especially the applicant's attitude towards China, academic background, academic performance, study attitude, language level and health condition, etc. On the premise of strictly abiding by the relevant national regulations, set the admission criteria according to the school's cultivation objectives and cultivation ability of International Students, adopt appropriate assessment methods such as written tests or interviews in light of the actual needs. After the evaluation, the candidates will be recommended to the Education Department of Yunnan Province, it is a merit-based enrollment.

4. Based on the recommendation of the university and the annual scholarship funding, the Education Department of Yunnan Province will organize experts to evaluate the candidates for the scholarship and make public announcement.

### **IX. Acceptance, notification and registration**

1. After the evaluation and selection of the accepted scholarship student, the university will make a letter of acceptance (stamped with the official seal of the university) and an application form for International Students to come to China (form JW202) for the scholarship students.

2. The university will send the letter of acceptance and the JW202 form to the accepted scholarship student via email, international express service, scholarship referee or contact person so that the accepted student can apply for a visa in their home country.

3. Upon receipt of the letter of acceptance, the accepted scholarship student must give feedback to the university by email or other means to confirm that he/she will follow the requirements of the letter of acceptance for registration and other procedures.

4. Scholarship students must complete the relevant procedures within a specified period of time and enter the various stages of their studies according to the programme.

5. Scholarship students who fail to register on time without explain the situation will not be eligible for scholarship. Anyone who provides false application documents will be disqualified from the scholarship if found out.

# **2024 Southwest Forestry University Enrollment Guidelines for International Students from Neighboring Countries Applying for Yunnan Provincial Government Scholarship**

Following the requirements of relevant documents of Yunnan Provincial Education Department, Southwest Forestry University specifies the international students enrollment guidelines for Yunnan provincial government scholarship for the year 2024.

## **I. Students Categories**

Freshmen of 2024 , including Undergraduate, graduate, and doctoral students.

## **II. Eligible Countries**

Belt and Road countries, South and Southeast Asian countries and other countries.

## **III. Enrollment specialties**

Southwest Forestry University enrolls international students in all majors at all levels of training. The following is a catalog of majors for international students enrolled in our university in previous years:

Training level	References to specialties
undergraduate program	Chinese Language, Chinese

	International Education, Computer Science and Technology
postgraduate program	International Chinese Language Education, Computer Science and Technology, Tourism Management, Business Management, Ecotourism
doctoral program	landscape architecture

You may refer to admission prospectus and catalogue of disciplines published by Southwest Forestry University on official website [www.swfu.edu.cn](http://www.swfu.edu.cn).

#### **IV. Application Requirements**

##### **1. Age Requirements**

Applicants for undergraduate program are required to provide high school graduation certificate or equivalent education proofs and should not exceed 25 years old in principle;

Applicants for master's program are required to provide undergraduate graduation certificate or equivalent education proofs and should not exceed 35 years old in principle;

Applicants for doctoral program are required to provide master's certificate or equivalent education proofs and should not exceed 40 years old in principle;

## **2. Chinese Language Capacity Requirements**

Applicants for undergraduate, graduate and doctoral programs are required to provide HSK 4 or above certificate.

## **V. Scholarship Standards**

1. Yunnan Provincial Government Scholarship covers tuition, on-campus lodging fees, living allowances and comprehensive medical insurance;

2. Standards for different levels are:

Undergraduate: 35000 *yuan*/year/person (4 years)

Master's: 40000 *yuan*/year/person (3 years)

Doctoral: 45000 *yuan*/year/person (4 years)

## **VI. Application Documents**

If application documents (tables, letters, proofs, certificates) are written in languages other than Chinese and English, in addition to original copies, applicants should also provide translated versions in Chinese or English languages with notary seal. It is advisable that applicants contact local Chinese embassies or consulates to do the notary. Documents more than two pages should carry on each page official seals. Applicants should be fully responsible for the authenticity and completeness of the documents provided. False and incomplete application documents will not be processed by the university.

### **List of Documents Needed:**

1. Yunnan Province Government Scholarship Application Form, Southwest Forestry University International Students Registration Form.

2. Highest education certificate, transcripts with relevant education institution seals.

3. Medical Check with hospital or health institution seals.

4. Scanned copies of passport (all pages). Upon application, applicants living outside China should have passports valid for 4 or more years and should live at least 2 years in the actual residence country during the last 4 years (9 months could be calculated as a full year for residence). Applicants living in China should provide residence permit.

5. Certificate of No Criminal Record

6. Study plan in China. Programs (except for Chinese specialty) with Chinese language as instruction media should be written in Chinese and programs with English as instruction language should be written in English. The length of the study plan should not be less than 800 words.

7. Applicants for undergraduate program should provide a recommendation letter from high school teacher in Chinese or English with signature and official seal.

8. Applicants for master's and above programs should provide two recommendation letters from associate or full professors in Chinese or English with signature and official seal.

9. Applicants below 18 years old should provide proofs showing parents living in China; if parents are not living in China, parents should designate foreigners living in China or Chinese nationals as custodians for applicants and provide relevant supporting documents.

## **VII. Application and Assessment Methods**

1. Applicants can submit the electronic version of application documents through the email address of the contact person of International College, and if accepted, submit the corresponding paper version of the supporting materials on the day of reporting and registration.

2. The university will summarize and evaluate the applicant's materials, recommend those who meet the requirements on the basis of merit, and finally submit them to the Department of Education of Yunnan Province for review.

## **VIII. Date of application**

The application period is from the date of publication to April 1, 2024.

## **IX. Admission and Notification**

1. The admission result will be released on the official website of Southwest Forestry University and students will be notified by phone or e-mail.
2. Admitted students must apply for X1 visa within the time specified in the admission notice and report to the university with all original application and admission documents.
3. If there is any special reason for not being able to report to the university on time, the student must submit a written explanation to Southwest Forestry University. If the student fails to report to the university after one month without any reason, the university will not retain his/her scholarship eligibility.

# Kunming University Admissions Brochure for International Students 2024

## I. Applicable Categories

This admissions brochure is for full-time international students applying for degree programs and language trainees.

## II. Majors

All majors listed in this brochure are open to international students.

## III. Application Eligibility

1. Applicants must be non-Chinese citizens. Applicants who immigrated to a foreign country must hold a valid foreign passport or proof of nationality document for at least 4 years, and have a record of actual residence abroad for at least 2 years within the last 4 years (prior to May 30, 2024) (actual residence abroad for 9 months within a year can be deemed as one year, based on entry and exit stamps).

2. Applicants should obey the Chinese laws, comply with Kunming University's regulations, and respect Chinese customs and public ethical norms.

3. Applicants' health condition should conform with the "Health Examination Standards for Foreign Students" issued by the Ministry of Education of China.

4. Applicants' age range:

Bachelor's degree programs: 18-30 years old.

Language trainees: 18-60 years old.

5. Education background requirements:

Students who graduated from a non-Chinese institute must have a degree recognized by the Ministry of Education of China.

Applicants must have obtained the graduation certificate of senior high school or above;

6. Language requirements:

(1) Applicants' language proficiency for Chinese-taught programs: HSK level 4 with a total score no less than 180, valid for 2 years.

(2) Applicants' language proficiency for English-taught programs: English language proficiency should meet relevant requirement.

7. GPA 2.8 out of 4 or above, or 70 out of 100 or above.

8. The applicants' academic performance, academic level and language proficiency should meet the admission requirements of the major (test or interview).

#### IV. Application

##### 1. Online Application

Applicants who meet the requirements can apply on Kunming University International Student Service System (<https://kmu.at0086.cn/StuApplication/Login.aspx>) and submit all the application documents as required.

##### 2. Application Documents:

**Reminder:** All the following documents should be upload on Kunming University International Student Service System (<https://kmu.at0086.cn/StuApplication/Login.aspx>). All uploaded documents must be clear, authentic and valid. Applicants are recommended to use professional device to scan the relevant documents. Applicants shall bear the consequences caused by unclear or unidentifiable materials. Notarized translation must be provided if any of the documents is not in Chinese or English.

(1) *Application Form for International Students*. Please download and fill out the form on Kunming University International Student Service System.

(2) *Foreigner Physical Examination Form*. Applicants planning to stay in China for more than 6 months must submit a photocopy of the Foreigner Physical Examination Form completed in English (the original copy should be kept by the applicant). The form is designed by the Chinese quarantine authority and can be obtained from the dispatching authority. The physical examinations must cover all the items listed in the Foreigner Physical Examination Form. Incomplete records or those without the signature of the attending physician, the official stamp of the hospital or a sealed photograph of the applicants are invalid. Please select the appropriate time to take physical examination as the result is valid for only 6 months.

(3) Passport photo page.

(4) Personal ID photo, named after passport number (Photo reference format: 2 inch color crown-free ID photo. The white background has no borders, the head accounts for 2/3 of the photo size, the photo size is not less than 320 \* 240 pixels, the aspect ratio is 4: 3, the size between 100 KB and 500KB, JPG format.)

(5) Notarized highest degree certificate. Prospective degree winners must submit official proof of student status by their current school. Admitted students need to provide the original degree certificate and submit the scanned copy upon registration.

(6) Notarized highest diploma. Prospective diploma winners must submit official proof of student status by their current university. Admitted students need to provide the original diploma and submit the scanned copy upon registration.

(7) Academic transcripts.

(8) A Study Plan or Research Proposal in Chinese or English.

(9) Recommendation Letter.

- (10) Chinese Language Certificate. Valid HSK Certificate.
- (11) English language qualification certificate (for English-taught programs).
- (12) A portfolio of your own work stored in a CD (arts students only). Applicants for music studies are requested to submit their own musical works. Applicants for the fine arts programs must submit their own works including two sketches, two color paintings and two other works. Applicants for other majors may be required to submit other supplementary documents. Please refer to separate notice.
- (13) Non-criminal record report.
- (14) Proof of financial guarantee.

## V. Admissions

1. Decisions are made on comprehensive review, academic merit, and tests or interviews.
2. Kunming University will send the Admissions Documents to those who is eligible.
3. Admitted students are not allowed to alter either the major or the duration of study.

## VI. Registration

1. Admitted students can refer to "Admission Notice" for the registration time and requirements. Admitted students need to provide all the original application documents upon registration. Failure of providing authentic originals may result in disqualification of admission.
2. Admitted students who are not able to complete registration on time due to any reason need to ask for permission in written form. If admitted students do not register for over two weeks without permission, the admission qualification will be withdrawn.

## Introduction and Admission of Chuxiong Normal University

Chuxiong Normal University is a full-time general undergraduate university in Yunnan Province, which was established in May 2001 with the approval of the Ministry of Education. In 2009, the university was awarded the title of "National Civilization Unit", and in 2015, it was approved as a pilot university in Yunnan Province for the application-oriented overall transformation reform of local universities. In 2017, it was awarded the title of "National Civilized Campus" by the Central Civilization Committee. So far, it has trained more than 70,000 graduates for the society and won the honorary title of "Advanced Collective for Employment of College Graduates" in Yunnan Province for 14 consecutive years.

The university recruits full-time undergraduate students from 25 provinces (autonomous regions and municipalities directly under the Central Government), with 15,407 students, 10 secondary colleges, 58 full-time undergraduate majors, 1 national specialty, 1 national first-class specialty construction site, 9 provincial first-class specialty construction sites, 5 provincial advantageous specialty majors, 1 Yunnan provincial university first-class discipline (Class B plateau discipline). The university also has 1 key discipline with advantages and characteristics in Yunnan Province, and 4 disciplines under provincial-level cultivation for the construction of master's degree authorization points. The university has 788 teaching staff, including 626 full-time teachers, 79 professors, 185 associate professors, 64 doctors and 445 masters.

In terms of international cooperation, the university has carried out exchanges and cooperation with universities in Canada, the United States, Thailand, Singapore, Malaysia, Myanmar, Laos and other countries, opening up the horizons of schooling through staff exchange visits, student exchanges, scientific research cooperation and cooperative schooling, and continuously promoting the process of internationalization of schooling.

The white background has no borders, the head accounts for 2/3 of the photo size, the photo size is not less than 320 \* 240 pixels, the aspect ratio is 4: 3, the size between 100 KB and 500KB, JPG format).

## **VII. Application and Review Process**

1. YTBUE issues the annual enrollment brochure and reports it to the Education Department of Yunnan Province to keep the record.

2. The applicant shall submit the Application Form and relevant supporting materials according to the admission requirements;

3. YTBUE will comprehensively review the applicant's materials, thoroughly examining the applicant's attitude towards China, academic background, academic performance, learning awareness, language proficiency and health conditions. On the premise of strictly observing the relevant regulations of China, YTBUE will formulate admission

requirements according to the students' training objectives and capabilities for international students of YTBU, and adopt appropriate assessment methods such as written examination or interview according to the practical situation. Candidates for the Scholarship will be recommended to the Education Department of Yunnan Province after assessment;

4. According to the recommendations of YTBU and the annual scholarship funds, the Department of Education of Yunnan Province will organize experts to determine the candidates for scholarship and announce the list.

### **VIII Admission, Notification and Registration**

1. After the scholarship candidates are confirmed by the Department of Education of Yunnan Province, YTBU will prepare the Letter of Acceptance (with official seal) and the Visa Application Form for Foreign Students in China (JW202 form) for the scholarship students;

2. YTBU will send the Letter of Acceptance and JW202 form to the admitted scholarship students through email, international express delivery, scholarship referees or contacts, etc., so that the admitted students can apply for visas in their home countries.

3. Upon receipt of the Letter of Acceptance, the admitted scholarship

student must give reply to YTBUE by email or other means to confirm that he/she will follow the requirements of the Letter of Acceptance for registration and other procedures.

4. Scholarship students must complete the relevant procedures within a specified period of time and begin their study of different levels according to the programme.

5. Scholarship students who fail to register on time without explain the situation will not be eligible for scholarship. Anyone who provides false application documents will be disqualified from the scholarship if found out.
